

Reform

- ❖ The letter sent by Wendy Matos Negrón, PhD, Executive Director of the Health Department's Medical Assistance Program to the Regional Directors, Local Supervisors and Certifiers of the same program, dated 8 September 2005, stipulated that:
- ❖ The parent or legal guardian shall certify in writing that the children are being educated at home.
- ❖ The certificate must include the minor's full name, address, date and signature of parent or legal guardian.
