

State Insurance Fund corporation

- ❖ They provide benefits to students for the death of their parents as a result of an accident related to their work.
- ❖ There are not many cases that this corporation has worked with "homeschoolers" so it is ideal that they show as much evidence as possible with the application to avoid being rejected.
- ❖ They request a school or university certificate indicating that the minor is still studying (up to age 25). For "homeschoolers" it could show some of the following:
 - Letter of affiliation from an HS organization
 - Local support group letter
 - Note report or credit transcript
