

Advantages of homeschooling

- ❖ Individualized education
- ❖ Control over materials, scope, and sequence
- ❖ Cost savings compared to private education
- ❖ Freedom and flexibility regarding schedules, learning paths, vacations, extracurricular activities, breaks, strategies, and methodologies (if something isn't working, it can be changed)
- ❖ Strengthens family bonds
- ❖ Demonstrates that learning is fun (fosters creativity)
- ❖ Eliminates the concepts of being "behind" or "ahead," as each child progresses at their own level
- ❖ Greater consistency in instilling values and principles
- ❖ Limits exposure to negative influences
